|----------------|-----------|--|---|----------------|-------------|--------------|---|--|
| Cowboy Country | PRT-18-01 | Friends of Black Rock High Rock | Gerlach Welcome Signs | \$4,080.00 | \$4,080.00 | \$5,080.00 | Funds will be used for the design and manufacture of 2 (two) 3' x 4' single sided signs made of aluminum composite material. These will be created in Reno, Nevada. These new, creative Welcome signs will showcase the personality of our town, and they will greet all visitors. Posts from the current sign will be re-used for this project. | Gerlach could use new "Welcome" signage as the current signs are faded and peeling. They would be designed to withstand the elements and provide a positive experience to the arriving visitors. |
| Cowboy Country | PRT-18-03 | Safe Haven Wildlife Sanctuary | Big Cat Exhibit | \$20,000.00 | \$10,000.00 | \$50,217.00 | Funding will support the construction of a new Big Cat Exhibit which will include a very large half acre habitat that can accommodate multi cats, multi shade and climbing platforms, multiple dens and "play/enrichment" areas, in-ground pool and other enclosure enhancements. Although tours are conducted inside the secondary perimeter fence, an additional 8' second fence is required by USDA. | Always responsive to visitors, Safe Haven has enhanced viewing opportunities so guests can experience a variety of animals and their natural behaviors. They have full moon tours, holiday parties with the animals, special enrichment events and photography tours with on-site workshops. An additional multi-cat enclosure will be an added benefit to all Safe Haven offerings. |
| Cowboy Country | PRT-18-04 | Lander County Convention & Tourism Authority | Battle Mountain & Kingston Event Street Banners | \$2,738.00 | \$2,738.00 | \$5,476.00 | These funds will be used to purchase 30 double-sided banners for Battle Mountain and 3 double-sided banners for Kingston. The banners are 24" x 48" Street pole banners. | The banners will promote events and recreation opportunities taking place in the towns of Battle Mountain and Kingston. |

| Cowboy Country | PRT-18-05 | Lander County Historical Society/Cookhouse Museum | Battle Mountain Cookhouse Visitor Center | \$13,500.00 | \$13,500.00 | \$21,080.00 | <p>The funds requested will be used to purchase a prebuilt 8ft. X 10ft. cabin/barn structure to house a tourism kiosk, direct power from the back of museum property to the front for the kiosk building and lights, two 10ft. light poles, two goose neck sign lights, and an ADA compliant walkway to the building. The power source for the museum is in the back of the property so it needs to be brought to the front two corners. The kiosk building will be placed at the corner of Burns Street and Broyles Ranch road which parallels Interstate 80.</p> | <p>Lander County has been without a Visitor Center for nearly a year. The Lander County Historical Society/Cookhouse Museum and the Lander County Convention and Tourism Authority (LCCTA) have partnered to establish a visitor center at the Cookhouse Museum. The Museum volunteers would staff the center during their normal "open" hours and the LCCTA will donate their electronic visitor kiosk to be used out of hours. A small pre-built cabin will be purchased to house the kiosk and brochure racks so that visitor information is available 7 days a week - 24 hours a day.</p> |

| Cowboy Country | PRT-18-06 | National Historic California Emigrant Trails Interpretive Center Foundation | Elko Hot Hole Springs Exhibit | \$15,000.00 | \$15,000.00 | \$70,000.00 | Old Fence Removal \$1,500 New Fence Installation \$35,000 Parking \$20,000 Interpretation \$13,500 | Within the west city limits of Elko, on the south bank of the Humboldt River, is a geothermal feature that notably caught the attention of early California Trail emigrants. At this "Hot Hole Spring," boiling water spills out and flows into the river. The site became an active stop for weary travelers bound for California, satisfying their needs for bathing and washing clothes in warm water. The establishment of this site would link the City of Elko to the California Trail Center located ten miles west of town. Their objective is to expand the California Trail experience for the traveling public. |
| Cowboy Country | PRT-18-07 | City of Wells | Trail Center re-roof | \$20,000.00 | \$20,000.00 | \$42,000.00 | The tourism funds will be used to pay a portion of the contractor cost to put a membrane/25 year roof on the facility. | After the 6.0 earthquake in 2008, the Trail Center building was left uninhabitable because the roof structure needed repair. Volunteers have been removing debris so that they could get an opinion from a structural engineer on repairing the building. That has been completed and the first step is to replace the old roof. Once that is completed they can begin repairs on the building's interior. This building houses the Chamber of Commerce, the museum and interpretive center for the Trail of the 49ers, tourist information and the Society for the Preservation of Western Heritage.. |

|----------------------|-----------|------------------------------------|---|----------------|-------------|--------------|---|---|
| Indian Territory | PRT-18-08 | Indian Territory | Reno-Tahoe International Airport American Indian Exhibit Move | \$20,000.00 | \$20,000.00 | \$20,000.00 | The funds will be utilized to hire an exhibit designer who will remove the existing exhibit to its new (larger) location and expand the exhibit to fit the new area. The funding will pay for the design exhibitor and new material for the expanded exhibit. | The display area will be moved from a secured area of the airport that arriving passengers are exposed to into an area on the entrance level outside the security gates where both arriving and departing passengers pass by on their way into and out of the airport. Visitors will find information on American Indian culture and the unique ways in which to experience the culture using mixed media. |
| Nevada Silver Trails | PRT-18-11 | Boys & Girls Clubs of Mason Valley | Night in the Country - Sod Project | \$25,000.00 | \$15,000.00 | \$39,403.00 | We would like to use these funds to help towards paying for the irrigation supplies and seeding. We know the companies are willing and able to provide some in-kind donations however, only a certain percentage of in-kind will be provided and we will need additional help with covering the cost. | This project is seeking funds to add sod to the "Night In The Country (NITC) grounds which are located on Lyon County Property. There is currently 5,000 feet of grassy area and they plan to increase that to 100,000 feet. The purpose is to provide a better experience to the patrons attending the Night In The Country Music Festival, as well as provide a large grassy community space to Yerington year-round. |

|----------------------|-----------|-------------------------------|----------------------------------|----------------|------------|--------------|---|---|
| Nevada Silver Trails | PRT-18-13 | Town of Tonopah | Highway 6 Welcome Sign | \$3,500.00 | \$3,500.00 | \$7,000.00 | Funds will be used to pay for the building of the head frame, the metal sign attached to the head frame, placement, and concrete pouring. | There are currently two gateway signs (head frames) welcoming visitors to Tonopah at each gateway on Hwy 95 but there is not a welcome sign at the Hwy 6 gateway into town. They believe that a welcome sign is needed on Hwy 6 to add to the positive feeling travelers get when entering town as experienced on Hwy 95. |
| Nevada Silver Trails | PRT-18-14 | Town of Tonopah | Event Banners | \$2,800.00 | \$2,800.00 | \$5,600.00 | The funds will pay for half of the cost for the banners. The Town will cover the other half and have the banners placed by Town maintenance staff. | The Town of Tonopah would like to expand the advertising of annual events through banners along Highways 95 and 6. The banners will promote up to 10 of their annual events and remain in place the entire year. Tonopah is centrally located between Las Vegas and Reno. Thousands of travelers drive through town every day making banners an extremely useful tool to highlight local events and push visitors to their website. |
| Nevada Silver Trails | PRT-18-15 | Goldfield Chamber of Commerce | Goldfield Chamber Infrastructure | \$1,000.00 | \$1,000.00 | \$1,500.00 | Nevada Division of Tourism funds will be used to extend the existing Goldfield Chamber of Commerce funds allocated to provide tourist facilities and coordination capabilities for the "Goldfield Days" event, the first weekend in August. | Goldfield Days is the biggest event this town hosts each year. Funds would cover cost of new shade tents, a set of walkie-talkies and assist with setting up Wi-Fi in the new Goldfield Visitors Center slated for a grand opening on April 28, 2018. |

| Nevada Silver Trails | PRT-18-16 | Beatty Museum & Historical Society | Beatty Museum Screenflex Room Dividers | \$3,340.00 | \$3,340.00 | \$3,340.00 | The funds requested in this grant are to purchase two screenflex room dividers. One divider is 9'5" long and 8' high, it consists of 5 panels and costs \$1,162. The second room divider is 20'5" long and 8' high, it consists of 11 panels and costs \$1,818. | This project will give them the ability to separate exhibit space from storage space in the new wing of the museum. The Screenflex portable room dividers are flexible, durable and are visually attractive. |
| Nevada Silver Trails | PRT-18-17 | Lincoln Communities Action Team (LCAT) | LCAT Kiosks & Bike Racks Infrastructure 2018 | \$10,000.00 | \$10,000.00 | \$20,000.00 | Funds to be used to purchase and install lights and signs for existing kiosks around the county and to purchase bike racks that will be placed around the county for visiting cyclists. | With the addition of the mountain biking trails to Lincoln County, they would like to enhance a project previously funded through this grant program by adding weatherproof signage and solar lighting to information kiosks located at Pony Springs, Panaca Summit, and Highway 318 at Sunnyside. They would also like to install bike racks with their branding to accommodate cyclists who are coming to their growing list of biking events. |
| Pony Express Territory | PRT-18-18 | The Greater Austin Chamber of Commerce | Street Banners | \$1,500.00 | \$1,500.00 | \$3,000.00 | The funds will be to produce the street banners to place along Main Street (Hwy 50) in Austin Nevada. The banners will be double sided with stitching and grommets in a heavy weather proof material. | The Town of Austin would like to hang banners along Main Street to welcome visitors to their community and to promote the events they host each year. |

| Pony Express Territory | PRT-18-22 | White Pine County Golf Course | White Pine Public Golf Course Signage and Beautification Project | \$5,000.00 | \$5,000.00 | \$10,000.00 | Funding from NDOT will be used to contract with a professional sign company to create attractive and informational signage using a design guide. The amenities offered at the full-service Golf Course (18-holes, club house, pro shop, cart and club rentals, driving range, snack bar, outdoor BBQ area and event rental areas) will be incorporated in the signage. The existing weary sign will be polished up. The local donations for landscaping, along with the in-kind hours to prep the areas for the signage as well as hanging/installing signs will be completed by various volunteer groups, including the Ely Tree Board. | Ely recently contracted Roger Brooks to perform a tourism assessment of their city. One of the recommendations from that assessment was to improve informational signage around town to let visitors know what and where recreational activities were available. This project will provide signage to promote their public golf course and the amenities it has to offer. |
| Reno-Tahoe Territory | PRT-18-24 | Tahoe Rim Trail Association | Tahoe Rim Trail Way-Finding Revitalization Project | \$10,500.00 | \$6,500.00 | \$21,500.00 | Funds to be used to be used to repair existing trailhead kiosks and brochure boxes and to develop and produce new informational panels at all Nevad Tahoe Rim Trail trailhead kiosks. | Funding will assist with the repair of trailhead kiosks and brochure boxes and the development and production of new informational panels and their installation. |

|----------------------|-----------|----------------------------------|------------------------------------|----------------|-------------|--------------|--|---|
| Reno-Tahoe Territory | PRT-18-25 | Lake Tahoe Bicycle Coalition | Lake Tahoe Bicycle Parking Program | \$10,000.00 | \$10,000.00 | \$55,000.00 | Funds will be used to purchase and install bicycle parking and fix-it stations. | This project will be implemented throughout the Lake Tahoe Region, however funds from TravelNevada will only be used to implement bicycle parking and fix-it stations in the State of Nevada. Priority locations include recreational areas, town centers, and local businesses. |
| Reno-Tahoe Territory | PRT-18-28 | Sustainable Tahoe | Walking with a "Washoe Heart" | \$6,000.00 | \$3,000.00 | \$12,000.00 | Funds to be used for purchasing materials, travel expenses, video equipment, taping, site interpretation graphics and signs, guide maps and editing. | This organization is working with the Washoe Duck Valley Shoshone Paiutes Tribe to construct Washoe Galis Dungals (Washoe Winter Huts) throughout the Washoe Territory, starting at Lake Tahoe. Award will fund labor and material to build one or more Washoe Dali Dungals and interpretive signage. Award does not fund equipment upgrades, production and development costs, professional fees, travel expenses or printing costs. |
| Reno-Tahoe Territory | PET-18-29 | Carson Valley Visitors Authority | Carson Valley Wayfinding Project | \$43,600.00 | \$23,493.00 | \$178,950.00 | The Carson Valley Visitors Authority is requesting funding to assist primarily with the cost of design production, fabrication, and installation of the signs proposed in the wayfinding package. Costs related to installation, maintenance and permitting are not being requested here and will be covered by CVVA and community partners. | Implementing a wayfinding signage program will link together the Carson Valley's historic, cultural, and recreational resources into a wide range of experiences that are both authentic and accessible. |

|----------------------|-----------|--------------------------------|--|----------------|-------------|--------------|---|--|
| Reno-Tahoe Territory | PRT-18-31 | Friends of Dangberg Home Ranch | Interpretive Panels at the Dangberg Home Ranch Historic Park | \$4,070.00 | \$4,070.00 | \$8,145.00 | Funds will be combined with matching funds to pay a commercial sign company for the design and fabrication of ten high-compression laminate panels, including appropriate mounting posts. The welcome panel will measure approximately 4 ft. x 5 ft., while the other nine panels will measure approximately 2 ft. x 3 ft. All will be designed and installed to meet ADA standards for height, accessibility, viewing angle and readability. | This project will improve the experience of the visitor, including those visiting the park as part of a commercial tour, through the installation of ten interpretive panels with text and photographs that explain each of the park's buildings, their historical role and the Dangberg family's role in Carson Valley history. |
| Reno-Tahoe Territory | PRT-18-32 | Friends of Genoa | Centennial Genoa Candy Dance Statue Project | \$15,000.00 | \$15,000.00 | \$75,000.00 | The bronzing of the statue will cost \$33,000 and we will be using the Nevada Division of Tourism funds to assist in the costs associated with that process at Prescott Valley Bronzsmith Foundry in Prescott, AZ. | A 7-foot bronze statue of the female Lillian Virgin Finnegan, founder of the Genoa Candy Dance event, will serve as a 100th anniversary commemoration in honor of the many volunteers who have made the Candy Dance such a huge success. The statue is being sculpted by a local Genoa artist who is donating her time and skills for this project. Grant funds would be used to assist in the bronzing of the completed statue. |

|----------------------|-----------|---------------------|------------------------|----------------|------------|--------------|---|--|
| Reno-Tahoe Territory | PRT-18-33 | Brewery Arts Center | Harmony Sculpture Park | \$3,500.00 | \$3,500.00 | \$7,000.00 | <p>Funds will be used towards the purchase of the Flower Collection instruments and the Lilypad Cymbals instruments. The collection consists of four brightly colored in-ground "flowers" with all the flowers having different notes, heights, and colors. The collection will look and sound like an enchanted musical garden. The layered placement of the discs will make players want to try dozens of combinations of play. With 3 mallets this can be played by 1-3 players. Each instrument is supplied with two durable mallets attached with coated steel cables.</p> | <p>The Harmony Sculpture Park is directly across the street from the Historic Blue Line walking tour in Carson City and in between two of the murals at Brewery Art Center, right in the heart of the two block arts campus. In the summer months alone, the Brewery Arts Center Campus is flooded with an estimated 2500 visitors each week and these instruments are already a destination for citizens and visitors as well as a source of civic pride. This expansion of the park is sure to enhance the experience for all who visit, helping to fulfill their mission to the community at large.</p> |

|----------------------|-----------|----------------------------------|---------------------------------------|----------------|--------------|--------------|---|--|
| Reno-Tahoe Territory | PRT-18-35 | Virginia City Tourism Commission | Beacons - Your Guide to Virginia City | \$2,000.00 | \$2,000.00 | \$5,000.00 | <p>Funds will be used to help purchase the beacons and to distribute the beacons throughout town. In addition, the funds will be used to help educate the VCTC staff and merchants on proper beacon operation. Using the beacons is about more than just deploying them, for the VCTC, it is about rethinking the visitor experience in town. The beacons will enable the VCTC to distribute historical facts, great deals and happenings around town to our visitors instantaneously. Through use of the beacons, we hope to increase engagement among merchants, visitors and locals alike. Furthermore, grant funds will help offset costs to update the Virginia City mobile app to allow for beacon usage as well as the annual hosting costs.</p> | <p>This project is using new technology to more completely utilize the history, buildings and people of Virginia City. 100 beacons will be installed throughout the historic district and will communicate with Virginia City's recently updated mobile app and enable them to send push notification to visitors within a pre-arranged distance from the beacons. The beacons will also be used to update their audio tour as location markers for various downtown events.</p> |
| | | | | \$247,107.00 | \$200,000.00 | \$675,270.00 | | |
